Consumer Advisory Team

State Representative
Lesia Liss
District 28—Warren

Did you know that over 200,000 Michigan residents navigate the complex world of Medicare and Medicaid at the same time?

Join us as we discuss how the state plans to coordinate services for individuals who participate in both programs.

What is Integrated Care? Learn here!

- *How will it impact the quality of care?*
- *How will it impact your organization?*
- *Review the plan before it is sent to Washington DC for approval*
- *Rep. Liss serves as Minority Vice Chair on the House Health Policy Committee—which provides legislative oversight on the integrated care plan. Rep. Liss is the only nurse in the State House.*
- *Share your Questions, Concerns and Suggestions!*

Who should attend?
