### The 2015 Learn & Share Conference Call Schedule is Complete...Sign Up Now!

Epilepsy Foundation of Michigan is very grateful for the abundance of epilepsy experts in this state and for the continued contributions we get from them through our [Learn & Share Conference Calls](#). This year's schedule features several guest speakers who are new to the program, along with a great selection of topics. Don't miss out on these unique opportunities to learn from expert speakers and from other participants. [Register online](#) or contact [Russ Derry](#) at [800-377-6226 ext. 1302](tel:800-377-6226) to sign up (if you plan to register for several calls, it's easier to call or email Russ). We hope you can join us for one or more of these calls!
